

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

BRIAN K. YOUNG,
Petitioner,

v.

W. L. MONTGOMERY,
Respondent.

Case No. [15-cv-04780-SI](#)

**ORDER DENYING CERTIFICATE OF
APPEALABILITY**

Re: Dkt. No. 23

Petitioner has applied for a certificate of appealability so that he may appeal from the order denying his petition for writ of habeas corpus. *See* 28 U.S.C. § 2253(c). This is not a case in which “reasonable jurists would find the district court’s assessment of the constitutional claims debatable or wrong.” *Slack v. McDaniel*, 529 U.S. 473, 484 (2000). The application for a certificate of appealability therefore is DENIED. Docket No. 23.

IT IS SO ORDERED.
